COMPANY PROFILE

Your most trusted partner

30 years
Experience

Hardwood is an innovative and professional company engaged in research, development, design and manufacturing of Locksets, fittings, sliding door system and numerous architectural hardware. The founder and core members have over **30** years' experience in door control industry. Our vision is to be the expert on functional and decorative security products and accessories. We believe true value can only be created by continuous dedication. Hardwood aims always to be your most reliable partner in supplying locksets and architectural hardware.

DESIGN & DEVELOPMENT

Continuous innovation and continuous development

Hardwood management team recognizes and deeply understand innovation and continuous improvement are key driven force for the company. We keep investing in R&D activities and have clearly defined growing annual budget for it. Engineers are using modern software, such as Solidworks and Creo to design internal structure and esthetic appearance.

We keep following new trends, products and techniques in the door control industry. Every quarter Hardwood has regular seminar on new products / trends and each year we set a plan to launch numerous new products.

PRODUCTION & INSPECTION EQUIPMENT

Quality production, strict quality control

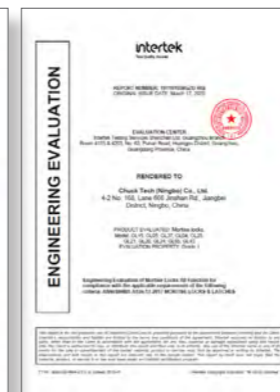

Not only we invest heavily in R&D activities but Hardwood also deeply understand design should be perfectly matched with most advanced manufacturing techniques. We design critical parts toolings fully in house and we have invested such as AgieCharmilles machining centers. To control the quality of the manufacturing parts Hardwood also invests CMM and other projector measurement devices to inspect and verify critical tolerances. We understand the creativity sparked by R&D staff plus over years' experience in manufacturing will contribute to the novelty, quality and cost effectiveness of our product.

CERTIFICATE

Your most trusted partner

The factory manufacturing is under ISO 9001 quality management system. Numerous products have passed UL certification.
